A UNIQUE LEARNING EXPERIENCE

English One exists to provide top quality English instruction and world class service to our students. We believe that by treating each student as an individual we can truly help them to succeed.

We aim to provide a rich learning experience that will see our students learning English in a stimulating, professional and enjoyable environment. We want our students to achieve more than they expected and to become confident users of English.

Course Overview

The Academic English course is here to assist students who are studying, or want to study, at an English university. There is a strong focus on academic reading and writing as well as improving student's listening skills. The course is also designed to prepare students for various English exams such as the Cambridge PET, FCE, CAE or CPE exams, as well as the important IELTS test. This part of the course works on developing your exam skills as well as improving your use of English.

Course Outline

The Academic English course is an intensive course with a strong focus on high-level English skills.

DAYS: Monday - Friday

TIMES: 9:00 to 15:00

MINIMUM LENGTH: 1 week

MINIMUM LEVEL: B1

Course Aims

The aim of the Academic English course is to develop the necessary English language skills you will need to succeed at an English university, or when taking an English exam.

This course has been designed for international students needing to study in an English environment where you will need to read and understand your study materials as well as writing about and discussing your subject area.

The course aims to help you develop a wide variety of the relevant language skills required at university and to provide you with the knowledge needed to achieve the outcomes you are looking for.

The course is also ideal for students needing to take an internationally recognized English exam. With an in-depth focus on the exam skills required to succeed in the high stress environment of taking a Cambridge exam or the IELTS test, this course can be of great benefit if you need to ensure you get the results that you need for your future studies or career.

**Course materials are Cambridge or Oxford certified*
